## PROGRAM OUTLINE

The USFA Equipment Subsidy Grant Program was established to assist new and existing programs that receive little financial support. The Equipment Subsidy Grant reimburses programs \$500 when they purchase \$1,000 or more of fencing equipment. Equipment **MUST** remain the property of the program and **NOT** that of the individual participants. The purposes of the Equipment Subsidy Grant Program are:

- To encourage fencing start-up programs.
- To assist interested eligible organizations in establishing group fencing instruction.
- To introduce beginning fencers to the USFA.

## GRANT CYCLE

Applications must be received in the USFA office by May 1, 2001. Late applications will not be considered. The final decision on Equipment Subsidy Grant Awards will be made by the USFA Board of Directors at its July meeting.
